

Homelessness

ALDBOROUGH
PRIMARY SCHOOL

On the subway of depression,
Poor children lay, craving for food.

A mattress of comfort,
The man sleeps without a blanket.

Then a ray of light came,
In that ray of light came food banks of hope, charities
of happiness and super kitchens of kindness.

THIS IS WHEN ALDBOROUGH TAKES ACTION.

In the streets of isolation,
We are the supplier.

In the streets of exhaustion,
We are the provider.

Join us and we can make a difference.
