

Homeless lives

*In the streets of loneliness,
A man all alone.*

*Sleeping on the mattress of discomfort,
A man all alone.*

*Having nightmares of torture,
A man all alone.*

*In the subway of coldness,
A man all alone.*

*Wrapped in the blanket of warmth,
A man all alone .*

*At the food bank of faith,
A man not alone.*

*At the charity of happiness
A man not alone.*
